Re: Invitation to a MONEY TRANSFER ASSOCIATIONS MEETING

At IMTC EMEA 2016, the International Money Transfer & Payment Conference at the Princesa Sofia Hotel in Barcelona, Spain, May 18, 2016

For many years, the Associations that represent the Non-Bank Financial Services industry, especially in the cross-border movement of funds, have worked on their own country's challenges, regulation, relationship with banks, etc. Since our world is becoming more and more interconnected the challenges of every association, in Europe, the USA, Australia, Brazil, etc. become much more interweaved.

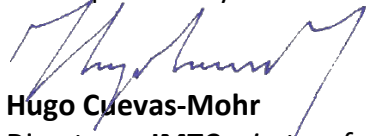

That is the reason why IMTC, the International Money Transfer & Payment Conferences in partnership with [ANAED](#), the Spanish National Association of Payment Institutions and [ABRACAM](#), the Associação Brasileira das Corretoras de Câmbio are calling upon all associations in Europe to accept an invitation to come for a meeting on May 18, 2016, at the Princesa Sofia Hotel in Barcelona at 2 pm (ending at 5 pm)

We believe that the participation of your group at this first meeting will be very important for the international money transfer industry as a whole. Payment Institutions in Europe are much more protected by regulation especially by the new directives, but the industry in many countries is facing difficult challenges. Brazil needs for example the help of the European Associations to stop the Remittances Parallel Market to Brazil ([See here](#)). We think EPIF can take a leadership role in such alliances.

The invitation has been accepted by the [MSBA](#), the Money Services Business Association from the United States and we hope many more will join us. A free registration pass has been offered by IMTC to all the delegates that want to stay for the conference in the 19th and 20th of May, as well as a €100 voucher courtesy of the Hotel Princesa Sofia.
